

Food Industry Pest Management Seminar 2018

Sept. 11, 2018 - Hilton Kansas City Airport

Pest prevention and innovative IPM strategies are key for success in our demanding food industry. This seminar is intended for food industry sanitation managers and staff, quality assurance managers and staff, and those responsible for pest management programs in a food environment. This seminar will provide for pesticide applicator recertification credits from most states.

The fee for this seminar is \$245 for those who register through Aug. 17. The cost is \$295 for those who register after that date.

The seminar will begin at 8:00 a.m. Refreshments and lunch are included with your registration. A keynote speaker is featured during lunch from 11:45 a.m. - 1:00 p.m. Please refer general questions to FISA at 913-397-1185.

This event will take place at the Hilton Hotel near KCI Airport, which is less than 10 minutes from the airport, just east of I-29, at 8801 NW 112th St. A shuttle is available for hotel guests. A finite number of hotel rooms are being held for Sept. 10th at a special rate. Please call 816-801-5285 prior to Aug. 20 and mention that you need a guest room in the "FISA/IFC room block."
